

PRAYER FOR OUR NEW GYMNASIUM

God our Father, source of everything that is truly good,
we are grateful for all that You have so generously shared with us.

Our spirits desire to be generous, as You are Generous,
but our broken humanity
clings to the material enticements of this world.

Therefore, we humbly seek Your Grace
to subjugate our own comfort
and prosperity for the sake of others.

Empower us to give generously
towards our school's new Gymnasium.

And help us to trust that when we are generous,
You are even more generous with us.
When we give, You give back to us.
For the measure with which we measure
will in return be measured out to us.

Let nothing keep us from reflecting Your generosity.

We ask this in the name of Your Son, Jesus Christ, our Lord.

Amen.
