WELCOME HOME TO
SAINT CHARLES BORROMEO
 CATHOLIC CHURCH

Whether you are visiting or looking for a spiritual home, we welcome you home to Saint Charles Borromeo Church! Please consider registering as a member of our Parish family at the Parish Office during business hours. **Registration forms are on our Parish Website. Registration is required for participation in the Sacraments of Baptism, First Communion, Confirmation, and Marriage.**

Lectors Needed!

St. Charles has had some of the finest Lectors in the entire Diocese. Unfortunately, due to natural attrition, we are desperately in need of new Lectors.

Lectors are a gift and blessing to our community, as they are tasked with proclaiming God's Word during Mass. If you can clearly and reverently proclaim God's Word, please pray about becoming a Lector. We will provide the necessary training and assistance.

Should you respond affirmatively to this invitation, you will be repaid many times over with spiritual graces, as our current Lectors will attest.

For more information on becoming a Lector, please contact Arline or Kevin at (941) 625-4754.

Married 30 Years Or More?

Email us the date and how many years married and we will celebrate you in the bulletin! Please send this information each year so our files stay updated.

Send information to:

HELP US BUILD THE GYM

A gymnasium is necessary for the overall health and well-being of our students, so they can experience fitness programs that will teach them how to live healthy, active lifestyles. Unfortunately, we currently lose too many days of Physical Education (PE) classes due to sweltering heat and inclement weather. A proper gymnasium is desperately needed. Please help us by donating today!

PRAYER FOR OUR NEW GYMNASIUM

God our Father,
source of everything that is truly good,
we are grateful for all that You have
so generously shared with us.

Our spirits desire to be generous,
as You are Generous,
but our broken humanity
clings to the material enticements
of this world.

Therefore,
we humbly seek Your Grace
to subjugate our own
comfort and prosperity
for the sake of others.

Empower us to give generously towards our
school's new Gymnasium.

And help us to trust
that when we are generous,
You are even more generous with us.
When we give, You give back to us.
For the measure with which we measure
will in return be measured out to us.

Let nothing keep us from
reflecting Your generosity.

We ask this in the name of Your Son,
Jesus Christ, our Lord.

Amen.

You can make a one-time donation,
a recurring donation, and view our
gymnasium video by visiting our
website at

OUR CENTER FOR SCIENCE & ENGINEERING WILL BE AN ACADEMIC GAME CHANGER!

"Our new Center for Science and Engineering will give us the space we need for the Robotics Program we started this year. The Center will allow our students to collaborate, imagine, build, and even code their robots. Coding, robotics, and engineering are growing career opportunities, which will help make our students more employable in the future."

(Tonya Peters, Principal)

"The new gymnasium and attached classroom spaces at St. Charles Borromeo will help our students achieve even greater success with the addition of a state-of-the-art science lab and robotics room. These facilities will encourage scientific inquiry while promoting our Catholic faith."

(Chris Mullins, Vice Principal)

"A new science and engineering center will allow us to learn and participate in activities we cannot do now."

Respect Life

Our neighbors in Canada have an odd view on the sanctity of life. Prime Minister Trudeau recently responded to the Uvalde, TX mass murder by outlawing all transactions involving the sale of firearms including handguns. But earlier in May, the PM announced that pro-abortion groups in the country would get millions of dollars from his government to promote the murder of the unborn. Abortion clinics are every bit as capable as guns in ending a life.

Meanwhile, Canadian legislators are trying to be precise about how the mentally ill can participate in their Medical Aid in Dying effort (MaiD). Doctors are struggling with exactly how an incompetent person can petition for assisted suicide. In addition, the terminally ill will no longer have to wait 10 days, as do regular Canadians, to end their life.

Are you ever surprised by tragic events caused by people raised in our culture?

Babies aborted this week: Ryan, Archer, Adelaide, Aspen, and Grayson. Charlotte County residents, even without the Olean Avenue abortion clinic, still have over 250 abortions each year. Please keep praying.

A PRAYER FOR PREGNANT MOTHERS

O Blessed Mother, you received the good news of the incarnation of Christ, your Son, with faith and trust. Grant your protection to all pregnant mothers facing difficulties.

Guide us as we strive to make our parish communities places of welcome and assistance for mothers in need. Help us become instruments of God's love and compassion.

Mary, Mother of the Church, graciously help us build a culture of life and a civilization of love, together with all people of good will, to the praise and glory of God, the Creator and lover of life.* Amen.

If you are able to make a donation of at least \$5,000, spread out over the next 5 years, please consider joining the **CRUSADER SOCIETY**. Every Crusader Society member will receive a free inscribed Legacy Brick that will be placed in front of our new gymnasium, a wearable pin, and invitations to special events!

Thank You!

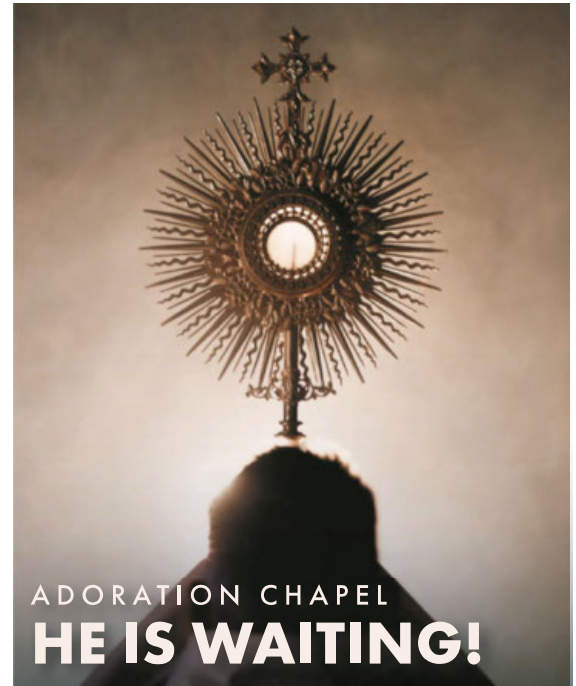

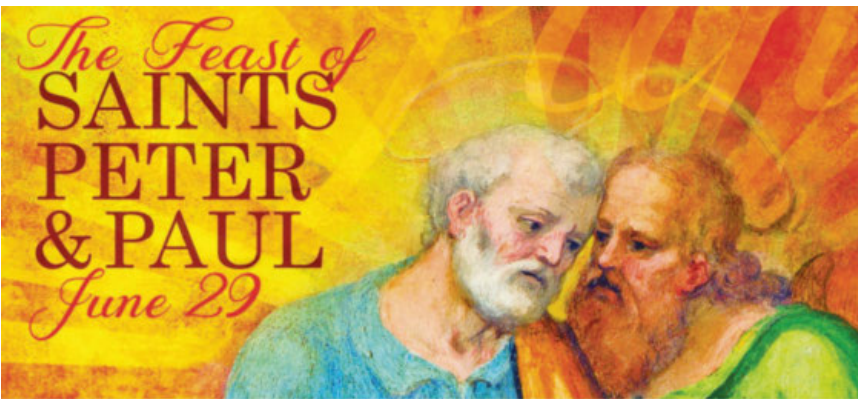

The Knights of Columbus want to thank all parishioners for your ongoing support of our fundraising events. Because of your participation and generosity, we have been able to help many individuals and groups over the last 12 months.

- \$25,000 gift to build the new gymnasium, plus \$100,000 multiyear pledge (\$25,000 this year) for a total of \$125,000.
- \$783 to Build the Gymnasium Dinner
- \$5,425 for the School
- \$2,735 to support the Church
- \$3,148 for the Pregnancy Center
- \$3,000 for seminarian vocations
- \$8,435 for the intellectually challenged

The Knights of Columbus donate thousands of volunteer hours at our signature events such as the Pancake Breakfasts, Lenten Fish Fries, Knight at the Races, Tootsie Roll Drive, Baby Bottle Drive, various fundraising dinners, and the 4th of July picnic.

All of this can only happen because of your continuous goodwill and financial support. The Knights are a few good men trying to make a difference in our community. However, it is our parishioners, the men and women worshipping next to you each week, who are truly charitable in their hearts and souls. The Knights pledge to you that we will never stop working to help our Church, our School, and our Community. God Bless all of you!

"On her return to Lisieux [from her visit with the Pope in Rome], St. Therese, the Little Flower, sent her gold bracelet to the chaplains of Montmartre so it could be melted into part of a great monstrance — a gesture that clearly expressed Therese's desire to keep watch day and night close to Jesus in the Eucharist."

Catholic Faith Appeal

In Scripture it is written, "Share with the Lord's people who are in need." (Romans 12:13)

The Catholic Charities Anti-Human Trafficking Service has a long-standing commitment to help victims of human trafficking in Southwest Florida. They work tirelessly to give victims of this heinous crime a way out by providing shelter, food and clothing. They work as liaisons with law enforcement and immigration service providers. They help with benefit

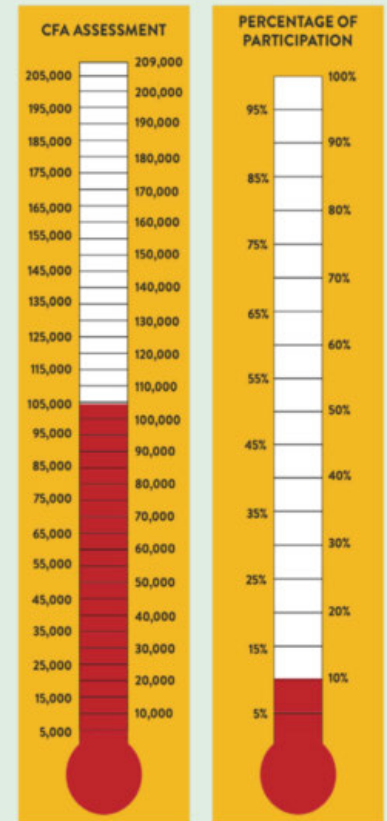

applications and offer mental health counseling. But they don't stop there, if a victim is need of a service they don't provide, they coordinate with other community agencies to get the services the victims need so they never have to return to their previous situation.

Your donation to the CFA helps fund important and needed programs throughout the Diocese of Venice in addition to giving this department the resources needed to provide these victims with a way out.

Our CFA Assessment for 2022 is \$209,000.

Thank you in advance for your generosity!
